

BIG MACHINE MUSIC CITY GRAND PRIX BIKE RIDER DETAILS

Big Machine Music City Grand Prix will return to downtown Nashville August 4th–6th. In an effort to minimize the event's impact on bicyclists' ability to cross the Cumberland River, we are taking this opportunity to provide details regarding recommended routes to and from East Nashville during the track build phase as well as during race weekend.

FROM JULY 9th–AUGUST 3rd & AUGUST 7th–AUGUST 22nd

Traveling Westbound on north side of Shelby/KVB

- Starting at S. 4th Street, bicyclists can utilize the bike lane.
- At S. 2nd Street, bicyclists should transition to sidewalk.
- At OEM/Sheriff pad, bicyclists can transition back to bike lane or remain on sidewalk.
- From here, bike lane remains accessible to the end of our closures at 2nd Ave. S.

WESTBOUND ON SHELBY AVE/KVB

EASTBOUND ON SHELBY AVE/KVB

Traveling Eastbound on south side of Shelby/KVB

- At 1st Ave. S., bicyclists should transition to sidewalk.
- Bicyclists should remain on sidewalk to S. 4th Street.

****NOTE: During the build, the Seigenthaler Pedestrian Bridge will be an option.****

- Heading downtown, take Shelby Ave.
- Right onto the sidewalk along S. 2nd St.
- Left to follow the sidewalk to the foot of the Pedestrian Bridge.

FROM AUGUST 3rd—AUGUST 6th

Traveling westbound

- At S. 5th Street, bicyclists should turn left and follow S. 5th Street to Davidson. There will be a temporary bike lane on the west side of the road.
- Turn right at Davidson and join existing bike lane.
- Under KVB Bridge, turn left into parking area surrounded by black chain link fence.
- At end of parking area, turn right and travel on sidewalk along the Cumberland River.
- At the end of the sidewalk, turn right and follow route created by bike rack barricade over to the elevator.
- Take elevator to top of Seigenthaler Pedestrian Bridge and proceed westbound.

Returning from downtown traveling eastbound would be same route in reverse.
